ハリポタ、映画ではいつも冬っぽいので、
1回 海ぱーんとかはいて
砂浜に立つドラコを見たいです。
浮きわでバタ足とか見たいです。
沖に流されて帰れなくなるドラコとか見たいです。

Harry Potter...
They say he's a hero, but that's stupid. Wasn't it all just luck? An infant couldn't have that much power.
They're at it again-- every time something happens, they immediately shout, Harry, Harry!
toss
But Draco...
it looks like he's coming to Hogwarts this year too.
Harry Potter!
What? Who?

I think I can tell who the wrong sort are...
...for myself, thanks.

That guy-- what the hell!?
This year ...?
So we're all in the same year.
What type of person will he be?
He's probably spoiled because of what happened. He could be unbearable.
So he's all alone ...
But he was raised by Muggles.
His parents are both dead.
He could be a weakling ...
Like this?

Good.
Crabbe, Goyle!
I'll meet this Harry Potter.
Not only that, I'll become his friend! I can teach him about the Wizarding World, and think of what Father could do for him!
I'm sure Harry will be thrilled too!
It'll be fun!

And instead, that damned Potter ...
You again?!
sneer
We always get such a warm welcome!
When do you get it?!
Ron, he was being ironic.
I don't have to listen to this rubbish!
you can't do anything.
It really seems like when you three aren't together,
gravity
That's why you can't grow up...
Always... between you two ...
pressure
Who's the git?!
I don't think it's so great to grow up if it means I have to be like this git!

A
and all he does is roll his eyes.
He pushed him!
Foul!
I do all I can to drive him mad ...
Damn you, Malfoy!
Maybe I should've realized earlier who would react.
The next time Potter gets hit, I bet he'll faint!
He always has such a stupid face, I couldn't tell the difference!
hahaha! Did you see Weasley's face? It was the best!

Next time... ah, what are those bastards doing?
ha
ha
Sorry, my hand slipped.
Dr... Draco?
And he got his clothes all dirty in--
haha! Look, he broke his glasses again!

Ah, how terrible!
Harry Potter ...
Since she likes to study so much, she should do our work too. Homework should be done by people who want to do it!
All she had to do was read one thin book...
I know. Hermione was sad ...
Why do they have surprise exams? These are heavy...
That's stupid! It's an important subject, we should be grateful that the Professors teach it to us!
Don't you understand even this?

If you don't want your family's name to sink even further, why not put a bit of effort into it?
If you say you are, I sure can't see the results.
glare
Those look heavy, Weasley.
Again?!
Malfoy!
RON
Not even the Professors take pity on your incapacity.
What ?!
yeah ...
ah ...
AHAHA HAHA
Let's go, Harry.
Listening to this idiot is a waste of time.

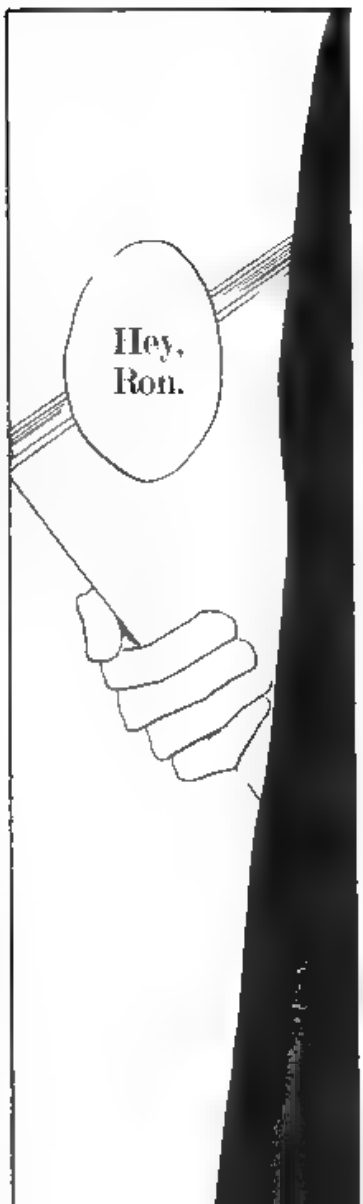
...like Ron?
Wha?!
What?
Listen, do you...
He's the one who ruined my plan
I hate him! That impoverished, freckle-faced redhead!
Don't say stupid things !!
More-over ...
What, so you're saying I'm stupid?
That would make more sense, wouldn't it?
Well, if you hate him so much, it'd be better to stay away from him, right?

I know that.
I'd like to, but we've got the same classes.
I don't have any choice, I have to see him.
It's just that he can't stand you.
..
hmph

So...
you only got angry with me because I hurt Weasley's feelings.
even though I was awful to you,
Even so...
you turned around to look at me, right?

the best thing in the world ...
is seeing you hurt.
For me ...
Draco ?
Since I was a little boy ...
Don't touch me!
Draco ?

Harry Potter!
It's been carved on my heart ever since I can remember.
Harry Potter ...
like a spell to become stronger.
I called that name so many times...
Where are you, my hero?
Do you like him?



For me

there's only

you.

It wasn't my imagination.

If you're not going into the classroom, could you move?
smack !!
Hey, door-jam boy!
GRRRRR!
You're trying to make me angry, Malfoy
I know why...
hmph

Potter!!
...
What are you doing here?
Lose your little friends?
Can't find your way around without--
This is getting us nowhere.
